

# Dishwasher Safe Mechanical Scales

## PREMIER SERIES STAINLESS PORTION SCALES

Edlund's most popular line of all stainless portion control scales have features that no import scale can match. Our newly designed all stainless steel construction allows for dishwasher safe cleaning without the need to disassemble the scale. With deluxe air dashpot models as well as standard models, U.S. measure, all metric and combination models available, and regular and oversized platform options, Edlund offers the most complete line of affordable, NSF Certified scales in the foodservice industry.

### Features:

- Dishwasher safe
- NSF Certified
- Stainless steel springs & mechanisms
- All stainless steel housing

- Deluxe models have air dashpot for instant reading
- 32 oz. and 1000 gram models are field re-calibratable
- Scale dimensions 6 $\frac{3}{8}$ "L x 6 $\frac{1}{2}$ "W x 9"H
- **Made in USA**
